Pure, Rich Blood Will Keep Your Body Vigorous and Healthy

When impurities creep into your blood the first symptoms are usually a loss of appetite, followed by a gradual lessening of energy, the system becomes weaker day by day, until you feel yourself on the verge of a breakdown.

Nearly everybody needs a few bottles of S. S. S., the great vegetable blood remedy, to cleanse out all impurities about twice a year. It is an excellent idea to take this

precaution to keep the system in a vigorous condition so as to more easily resist disease to which every one is subject. S. S. S. is without an equal as a general tonic and system builder. It improves the appetite and gives new strength and vitality to both old and young.

LYCEUM COURSE OPENS THURSDAY

The Richmond City Schools will offer a Lyceum Course during the winter, and pupils are highly elated over the prospects for a great success in this direction. The course which has been selected, has variety and will lend a wholesome influence upon the student body not only in the way of entertainment but in the development of the artistic, the aesthetic and the moral tastes. Besides, the course has numbers which have a highly educative value.

The season will open Thursday, October 28th, with Noah Beilharz. Mr. Beilharz has the reputation of being one of the best impersonators on the American platform. Some members of the faculty have heard Mr. Beilharz and they can recommend him to the Richmond public.

Mr. Beilharz not only reads the heavy plays such as "The Master Mind," but he is a great humorist, appearing in such plays as "The Hoosier School Master," and also in a miscellaneous program that sparkles with humor. This course will be given in the Caldwell auditorium. The surplus from this course will go toward athletic equipment at the Madison High School and toward the library at Caldwell.

One of the biggest numbers of the course, one of the biggest numbers that has ever been in Richmond, will be on November 8th, when Count Tolstoy of Russia, will lecture on "The Truth About Russia." Count Tolstoy has an international reputation and the Richmond public should consider this opportunity to hear him as one of the finest literary functions of the season.

U. S. AGENTS TO WATCH ELECTIONS

Department of Justice agents may watch Kentucky's election, according to W. V. Gregory, United States district attorney, of Louisville, who received instructions from the attorney general to "watch carefully" for violations of the corrupt practices act governing the election of "senators, representatives or delegates in congress."

The instructions of the attorney general pointed out that it has been a practice in many states to distribute large sums of money for "transportation of voters; for dissemination of information and for getting out the vote," in such a manner as to constitute a violation of the act. Mr. Gregory's attention has also been called to the acts of politicians in certain communities in telling negro women they would be arrested if they did not vote.

The law provides a penalty of a \$1,000 fine or a year's imprisonment or both. It stipulates that not only in accepting money for the furtherance of a candidate's race, but any gratuity of any sort, will constitute a violation.

WM. WEIGEL, of Seattle, who says he had no idea anything on earth could do for him what Tanlac has done. Declares he has gained 30 pounds and that his health has been completely restored.

"I had no idea that anything on earth could do for me what Tanlac has done, and I just feel like telling everybody I see about this wonderful medicine," said Wm. Weigel, 2602 Third Avenue, Seattle, Wash., with the widely-known New Washington Hotel.

"When I began taking Tanlac," continued Mr. Weigel, "my condition was so run down that I could not work. I was never hungry, and my stomach was so disordered that the little I forced myself to eat disagreed with me. My kidneys bothered me, and the pains across my back were so severe that when I tried to bend over and straighten up again it would nearly kill me. I had splitting headaches and such dizzy spells at times I would almost topple over. Then to make matters worse, I began to suffer with rheumatism in my legs. I was nervous, weak and listless, was rapidly losing weight and strength and seemed to be going down hill every day."

"I began to improve after the first few doses of Tanlac. I seemed to feel better each day as I continued the treatment. In a few weeks I was like a brand-new man. Now, I have a big appetite, eat anything I want, enjoy every mouthful and don't suffer in the least afterwards. I sleep like a child every night and feel just fine on arising in the morning. I haven't a pain about me, my strength has been wonderfully increased and I have actually gained thirty pounds."

"If anybody doubts this statement just tell them to see me and I will give them the names of my friends who will verify every word of it."

Tanlac is sold in Richmond by Stockton and Son; in College Hill by Ginter Brothers; in Berea by Welch Department Stores. It

Public Auction Small Farms

Wednesday, Oct. 27 1:30 P. M.

On the above date in the town of Kirksville, Madison County, Kentucky, I will offer for sale to the highest and best bidder some choice selections in small farms, improved and unimproved.

FIRST SELECTION

The present home of S. P. and J. B. Curtis, situated in the very heart of the town of Kirksville, is a very pretty home, nearly new bungalow residence of 6 rooms, a beautiful shade lawn gently sloping to Main street, contains about 3 acres of good land, extra fertile garden and all minor outbuildings.

SECOND SELECTION

A beautiful building site, adjoining Selection No. 1 and contains about 1 1-2 acres, and has on it a good stock barn which will house about one acre of tobacco.

SELECTION No. THREE

To No. 1 with the handsome bungalow can be added a tract containing about 17 acres adjoining on back line, this to make about 20 acres with this fine home.

SELECTION No. FOUR

To Tract No. 2 can be added about 15 acres adjoining on the back line, which will give about 15 acres with the good building site and barn. This will front Main Street, Kirksville.

SELECTION NUMBER 5

All these four tracts can be combined, if you wish, and make you one of the best small farm homes in Madison County, containing about 35 acres, all good land, in sight of Kirksville High School, three churches, well watered and in grass just ready for the plow.

SELECTION NUMBER 6

On the same day I will offer unimproved Baby Farms on the land of Charles Wagers, fronting on the Moran's Mill Turnpike in the town of Kirksville, and adjoins Selection No. 5. First one of these small farms will contain about 3 acres and has a beautiful building site. No. 2 of this number will adjoin first number and contains about 9 acres, and has good pike frontage. Third number of this selection will have good building site and adjoins the second number and contains 7 acres. Fourth number of this selection will adjoin the third number and has good place for residence building and contains about 7 acres. Fifth number of this selection adjoins the fourth number and also adjoins the fine farm of J. T. Coy and has a good building site and contains about 9 acres. Any two or more of these can be combined and make a baby farm up to 35 acres for you.

THOUGHT

You can add selection 6 to selection 5 and have a fine farm right in town and to contain about 70 acres.

SELECTION NUMBER SEVEN

On same date we will sell for Mr. H. W. Coy what is known as the Will Arbuckle home place situated near Moran's Mill and known as good a piece of land as a crow ever flew over. Has been in old blue grass sod for the past 20 years and was rich land to begin with. Is improved with a handsome 8 room residence, good garage building, good combined stock and tobacco barn, good chicken houses, and in fact just anything you want. Men who know Will Arbuckle and his progressive ways and who know that he lived at this place for 15 to 20 years, would not have to be told of the conveniences to be found here. This small farm contains only 26 acres and is in the Kirksville High School District and is just what you want.

SELECTION NUMBER EIGHT

At the same date we will offer a small home now occupied by Hiram Hughes, and adjoins selection number 7 and has a good small dwelling house, small barn and many improvements and contains 2 acres. This should appeal to some man wanting to own his own home.

THINGS TO BE REMEMBERED

This sale begins at 1:30 p. m. This land is nearly all in grass and ready to punch. Terms will be liberal and announced at the sale. Cash prizes will be given the lucky fellow attending this sale. Bring your wife with you and let her look over these homes. Get where you can educate your children so they can do something for you in your old days.
